

leveldb::Version::LevelFile
NumIterator::status

```
graph LR; A["leveldb::Version::LevelFile  
NumIterator::status"] --> B["leveldb::Status::OK"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a light gray background and a black border, containing the text 'leveldb::Version::LevelFile' and 'NumIterator::status' on two lines. The right box has a white background and a black border, containing the text 'leveldb::Status::OK' on one line.

leveldb::Status::OK
