

leveldb::DBImpl::Get

```
graph LR; A[leveldb::DBImpl::Get] --> B[leveldb::MemTable::Get];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'leveldb::DBImpl::Get'. The right box is light gray with a black border and contains the text 'leveldb::MemTable::Get'. A dark blue arrow points from the right side of the left box to the left side of the right box.

leveldb::MemTable::Get
