

leveldb::DBImpl::Compact
Range

leveldb::Version::PickLevel
ForMemTableOutput

leveldb::Version::Overlap
InLevel

```
graph LR; A[leveldb::DBImpl::Compact Range] --> C[leveldb::Version::Overlap InLevel]; B[leveldb::Version::PickLevel ForMemTableOutput] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box contains the text 'leveldb::DBImpl::Compact Range'. The bottom box contains the text 'leveldb::Version::PickLevel ForMemTableOutput'. On the right, there is a single box containing the text 'leveldb::Version::Overlap InLevel'. Two blue arrows point from the right side of the left boxes to the left side of the right box. The right box has a light gray fill, while the left boxes are white.
